

**Police Cruiser/Street Pickup Trucks
Addendum #1**

To: All Bidders

From: Doug Crabill, City of Urbana

Date: February 28, 2013

Re: Specifications; Clarifications

Specifications for Police Cruiser (Vehicle #1), 4DR Sedan

The vehicle and equipment specifications for the police cruiser (vehicle #1), 4DR Sedan are the minimum specifications for this vehicle.

Purchase Quantity Clarification

The following statement shall be added to the general bid provisions as item #12: "The City of Urbana shall reserve the right to adjust purchase quantities after bids are received."

For example, the City of Urbana may choose to purchase zero (0) of one model and two (2) of another model instead of one (1) of each model.

Clarification-Single Rear Wheel (Delete Dually) on Vehicle #3 (12,800lbs. Pickup)

Vehicle #3 (12,800 lbs. Pickup) shall be a single rear wheel vehicle. The dually (dual rear wheel) shall be deleted. As a result of this single rear wheel, the GVWR and payload of the vehicle shall adjust accordingly. The GVWR for this vehicle shall be 10,700 lbs. or equivalent. The maximum payload for this vehicle shall be 4,609 lbs. or equivalent.
