

**Bid for City Vehicles-July 2013
Addendum #1**

To: All Bidders

From: Doug Crabill, City of Urbana

Date: July 17, 2013

Re: Truck Equipment Vendors; Paint Color; Alternate Bid Proposal

Truck Equipment Vendors

The specifications for the truck equipment on Vehicle #3 (Sewer Division Truck) were developed and provided by Kaffenbarger Truck Equipment. Bidders are welcome to use Kaffenbarger Truck Equipment for this equipment, or bidders shall be allowed to use the supplier of their choice.

Paint Color

The paint color for Vehicle #2 (Water Division Truck) shall be factory standard blue.

Alternate Bid Proposal

An alternate bid proposal that does not meet the specifications will only be considered if the bidder has provided the lowest bid for the specified vehicle. For example, if the bidder provides the lowest bid for the specified vehicle, then the bidder's alternate for that same vehicle may be considered. Otherwise, alternate bid proposals shall not be accepted.
