

**Grimes Field Airport-RFQ
Engineering Consulting and Grant Administration Services
Addendum #1**

To: All Prospective Firms

From: Doug Crabill, Assistant to the Director of Administration

Date: July 2, 2014

Re: Grimes Field-Airport Layout Plan

Grimes Field-Airport Layout Plan

One of the prospective firms responding to the request for qualifications asked for a copy of the ALP (Airport Layout Plan) for Grimes Field. The most current version available dates to the year 2000. An update to the ALP is currently nearing completion, but a final version is not yet available for distribution. On that note, the 2000 version of the ALP is being supplied as part of this addendum.
