

# Monument Square Roundabout Study

**Community Stakeholder Meeting  
Monday, February 1, 2016 at 6PM  
Urbana Municipal Building**

**City of Urbana  
Engineering**

205 South Main Street  
Urbana, OH  
43078

(937) 652-4324 ph  
(937) 652-5145 fax

The City of Urbana has engaged the services of an engineering consultant to review the existing roundabout to determine possible enhancements to the roundabout, including possible changes to improve traffic calming, traffic flow, parking, and pedestrian safety. As part of this study, the City of Urbana is requesting feedback from the community at a public forum that is scheduled for **Monday, February 1, 2016 at 6PM in the Fire Training Room of the Urbana Municipal Building at 205 South Main Street**. The engineering consultant will present proposed conceptual changes to the roundabout and gather community feedback.
