Correction to 2010 ODOT LPA Template

On Page 20, Section 4 (Prequalification) of the 2010 ODOT LPA Template, the minimum performance percentage for the prime contractor shall be changed from 30% to 35% to match the legal notice. The last sentence under Prequalification shall now read as follows:

"The "prime" contractor must perform no less than 35 percent of the total original contract price.
